IMPORT COLD ROOMS

Chamber Details

Cold Storage Import	Area (Sqm)	Current Capacity	Temperature Range
Chamber - A	87	Loose Cargo	+15°C to +25°C
Chamber - B	31	Loose Cargo	+2°C to +8°C
Chamber - C	80	Loose Cargo	+2°C to +8°C
Chamber - D	85	Loose Cargo	+2°C to +8°C
Chamber - X	58	Loose Cargo	+15°C to +25°C
Chamber - Y	73	Loose Cargo	+2°C to +8°C
Chamber - Z	76	Loose Cargo	-2°C to -20°C

- Envirotainer charging points - **6 nos.**
- Temperature monitoring System available

COOL DOLLY

We have two Cool Dollies to extend cool chain till airside. It is a refrigerated dolly on wheels which can carry temperature sensitive intact units or bulk cargo from warehouse to aircraft or vice versa at a pre-defined temperature, adjustable to the requirements of the perishable products.

It has the ability to:

- Maintain temp between **-20°C to +25 °C**
- Capable of handling all types of lower deck ULDs.
- Floors equipped with rollers allows smooth loading & unloading
- Storage Capacity of each Cool Dolly :
2AKE/LD3 or 1 lower-deck pallet / main deck pallet (8ft) or Bulk load of approx. 3000 kgs
